PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Charles Crawford respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 294A at Cross Plains, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 294A to Cross Plains, Texas as that community's first local FM service. Cross Plains, Texas is an incorporated city with its own zip code and a population of 1,068 people.<sup>1</sup> Cross Plains has its own volunteer fire department, post office, mayor, city offices and a number of local churches. Cross Plains is a community that is certainly deserving of local FM service. The proposed channel 294A will provide additional diversity and an outlet for local self-expression to Cross Plains residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 294A can be allocated to Cross Plains, Texas, consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

<sup>1</sup> According to the 2002/ 2003 Texas Almanac.

Reference coordinates for Channel 294A at Cross Plains,  
Texas are:

32 06 48 N  
96 18 45 W

Should this petition be granted and Channel 294A be allotted to Cross Plains, Texas, Petitioner will apply for Channel 294A at Cross Plains and after it is authorized, will promptly construct the new facility.

The factual information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

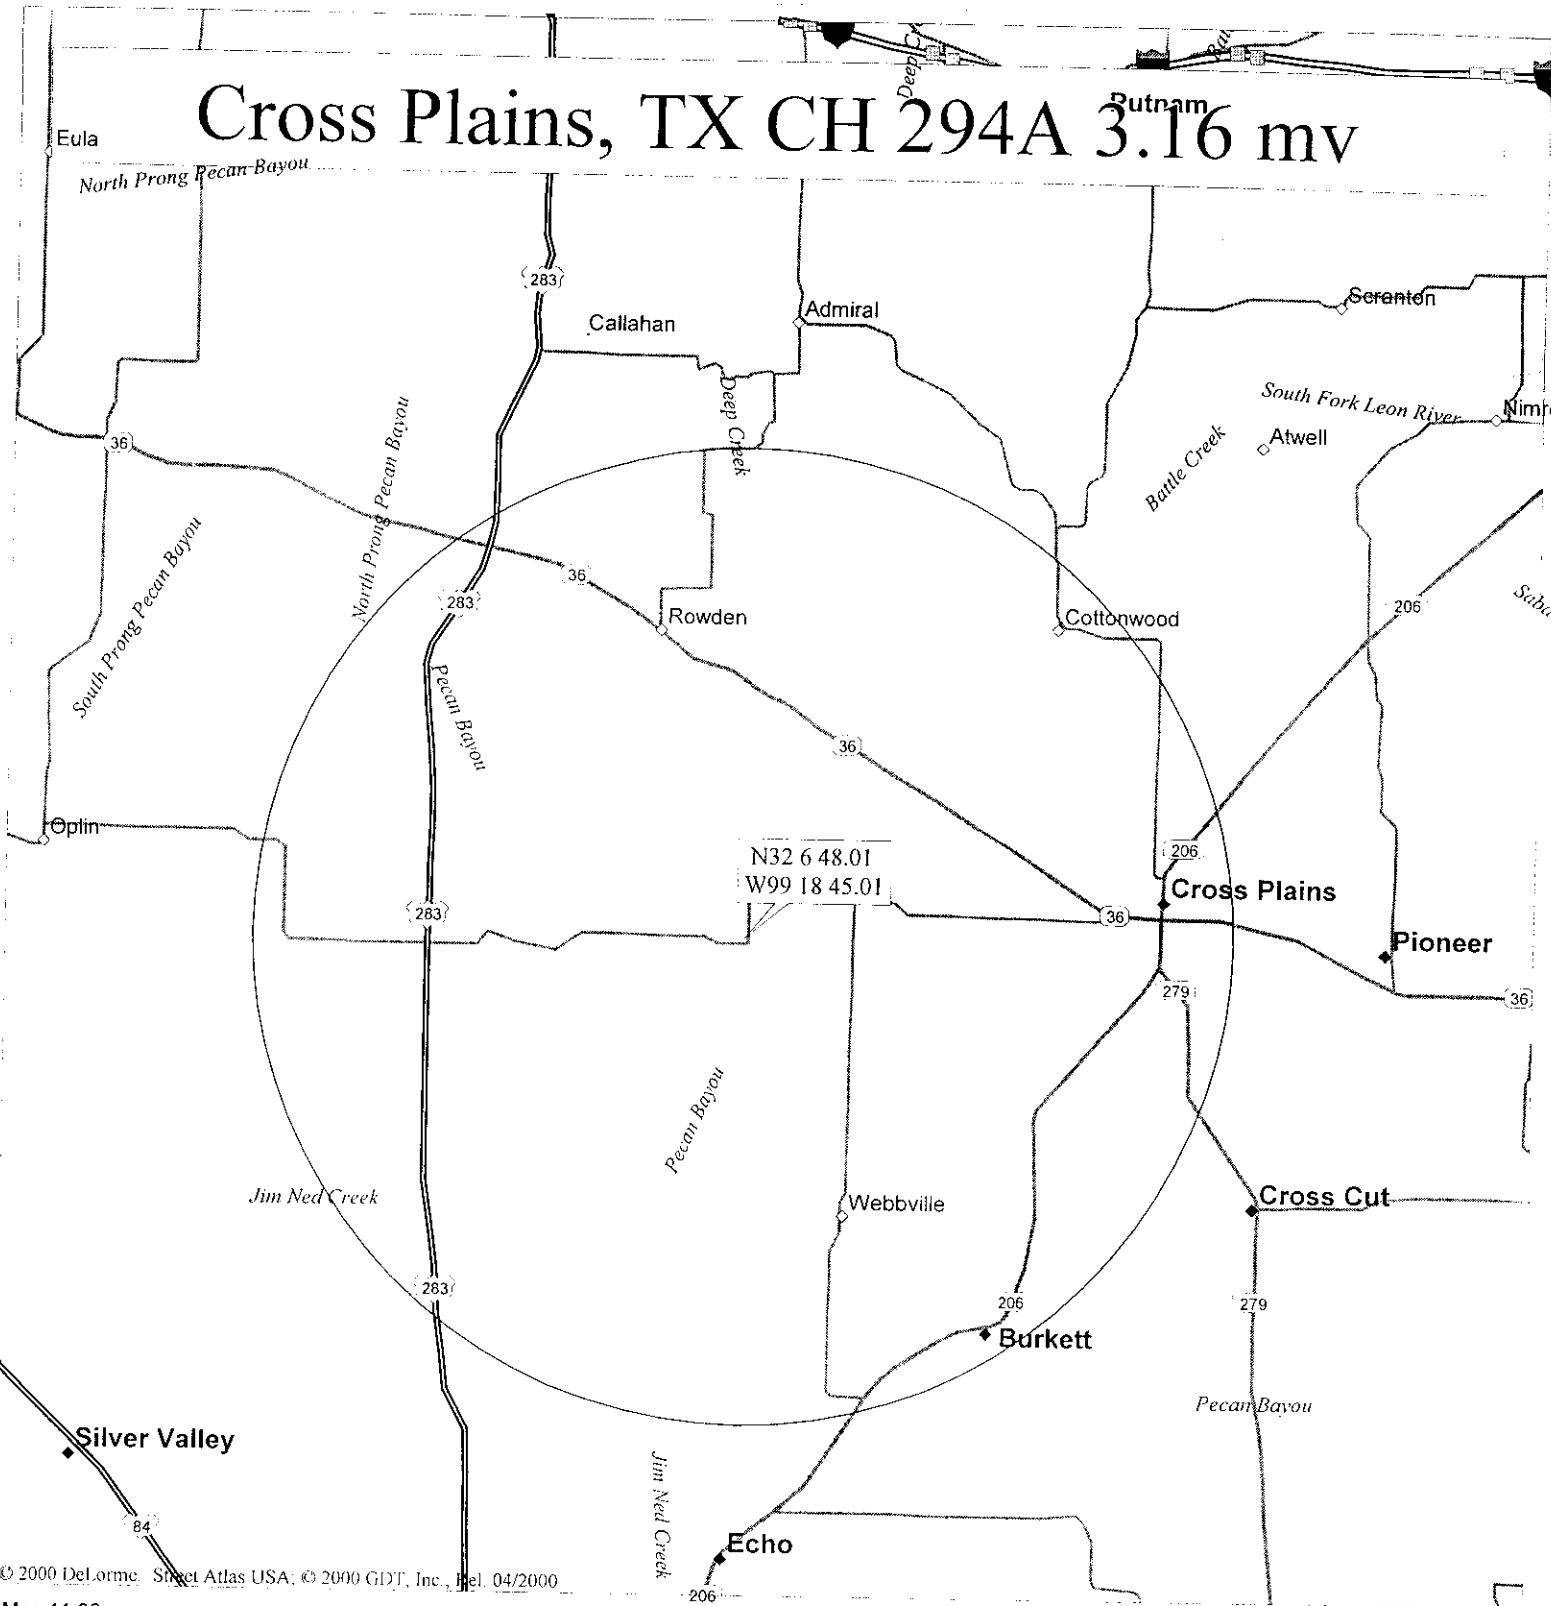

Charles Crawford
